Robison Medical Resource Group, LLC is a Woman Owned Small Business which operates under an FSS 621 I contract schedule assigned by the GSA. We are nurse owned and nurse operated. Our organization provides short and long-term contract support for commercial and government clients across the nation that offers stability to medical units.

Robison Medical Resource Group, LLC is registered with the System for Award Management (SAM) with no exclusions. As a vibrant Woman Owned Small Business, we satisfy applicable federal contracting requirements for set-asides, but our mature infrastructure, developed industry position, and robust recruitment, placement, and administration mechanisms give us unparalleled potency within the healthcare staffing industry. This allows Robison Medical Resource Group, LLC to deliver big-business results while we still retain small business access and agility.

Robison Medical Resource Group, LLC is positioned to offer the full spectrum of contracted nursing support to our clients. Our organization holds persistent, recurring contracts as both a prime vendor and subcontractor at government clinics, including Military Treatment Facilities, including Veterans Hospitals, Airforce Medical Hospitals, Indian Health Service medical centers, and clinics within the US Bureau of Prisons. Robison Medical Resource Group, LLC has retained renewable contracts for years due to our commitment to delivering the highest quality medical professionals. This commitment to our clients helps them, in turn, ultimately deliver their promise to our most valuable and shared customer: the patient.
